The Joy of Being God #8 - The Joy of Freedom

Connect In(with one another) & Connect Up(with God)

- Last Sunday we talked about the joy of freedom. What examples can you think of(which areas of your life) where you possibly live with a slave mentality rather than in the freedom God has promised?
- Read **John 8:36** - "He whom the son sets free is free indeed!"
- How can your LG help you towards experiencing more of this freedom? (Leaders note: you may want to suggest that people pair up and pray together at this moment. After the prayer it may be helpful to suggest that those whom have prayed together check in with one another over the next few weeks and continue praying for complete breakthrough)

Connect Out(with people exploring faith around you)

- Read **Galatians 5:1**. The apostle Paul very helpfully cautions us to continue living in the freedom Christ has won for us and not to go back to our slavery. Ask the group to share practical ideas they have personally found helpful.(Leaders note: This is a great moment to encourage everyone to read more of the Bible, pray and make time to practise gratitude.)
- How do we help others who are not yet christian get to a place where they can experience this wonderful freedom for themselves?
